To our generous corporate sponsors:

On behalf of Chicago Women in Public Finance ("Chicago WPF"), thank you for helping us make 2019 a resounding success!

With the help of our corporate partners, Chicago WPF has hosted several successful social, educational and charitable events thus far in 2019. This includes our first-ever Chicago Chapter Conference with over 200 professionals in attendance, another successful fundraiser to support the Chicago Summer Business Institute, an excellent panel on cybersecurity, gathering for intimate networking lunches and dinners throughout the year, participating in community give back, and creating networking opportunities for women and men in the industry. All of these amazing opportunities would not be possible without the generous support of our sponsors!

2020 is expected to be our biggest year yet as a chapter with the 24th Annual National Women in Public Finance Conference coming back to Chicago. This will be taking place October 15th-16th, 2020 at the Sheraton Grand Chicago. The conference will be a huge undertaking with over 500+ professionals joining us from all over the country. **In preparation for this major event, we will not be asking for local chapter sponsorship for 2020. We hope this encourages our local partners to contribute at the national level in 2020.** We expect to share more information on sponsorship opportunities for National WPF in coming months.

Thank you again for your continued support and we look forward to seeing you at a future event.

Yours respectfully,

Kathleen M. Belden
Conference Chair/Immediate Past President
Chicago WPF
